2021 NIGHTCLUB & BAR SHOW DONATES MORE THAN 6,000 MEALS TO THREE SQUARE

*Food and water remaining from the show's F&B Innovation Center donated to
Southern Nevada's largest food bank*

LAS VEGAS – Following the close of the **2021 Nightclub & Bar Show**, the premier bar and restaurant event donated more than 6,000 meals and water to Southern Nevada's largest food bank, **Three Square**.

Led by celebrity chef Brian Duffy, the show's **F&B Innovation Center** served as an anchor to the Expo Hall Floor, where thousands of industry professionals had the opportunity to learn from esteemed chefs and industry leaders. Following the event, Duffy and his team prioritized donating the remaining food and water and gathered more than 7,000 pounds of produce, meat, water, and dry goods to be given to Nevadans in need.

"As leaders in the bar and restaurant industries, minimizing food waste is continually at the forefront of everything we do," said Tim McLucas, vice president of Bar & Restaurant Group. "We are so thrilled to be back in Las Vegas, and it means so much to us that we were able to donate this food and show our support and appreciation for this amazing community,"

Nightclub & Bar Show will return to Las Vegas March 21-23, 2022 as Bar & Restaurant Expo. To learn more visit: <https://www.ncbshow.com/ncbshowcom/evolution>

###

About Bar & Restaurant Expo

Nightclub & Bar Show is evolving to Bar & Restaurant Expo. Mirroring the fast-paced, trend-setting nature of the hospitality industry, the event has been providing the specific tools that bar and restaurant owners, operators, and managers need to grow their businesses, compete, and succeed in this hyper-competitive and dynamic industry. The Bar & Restaurant Group is a division of the Questex Hospitality Group which also produces VIBE Conference, World Tea Conference & Expo, and daily content on barandrestaurant.com.

About Questex

Questex brings people together in the markets that help people **live better**: travel, hospitality and wellness; the industries that help people **live longer**: life science and healthcare; and the technologies that enable and fuel these **new experiences**. We live in **the experience economy** – connecting our ecosystem through live events, surrounded by data insights and digital communities. We deliver experience and real results. **It happens here.**
